

## ***Parkinson's is hard to manage alone.*** **StrivePD Guardian can help.**

Managing Parkinson's often feels overwhelming, with limited doctor visits and complex medication schedules. StrivePD Guardian is here to support you every step of the way.

Challenges you face:

- Infrequent doctor visits leave you without regular guidance.
- Medication schedules are complex and hard to manage yourself.
- Constant uncertainty about symptom control and quality of life.
- Higher risk of falls and complications without timely support.

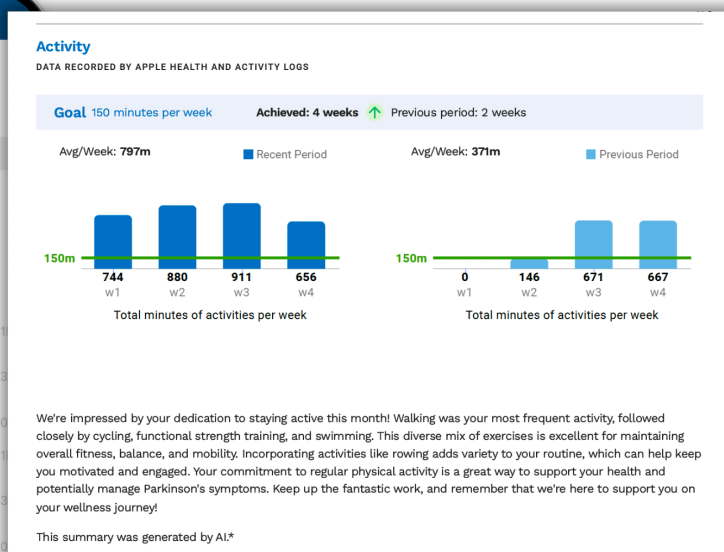

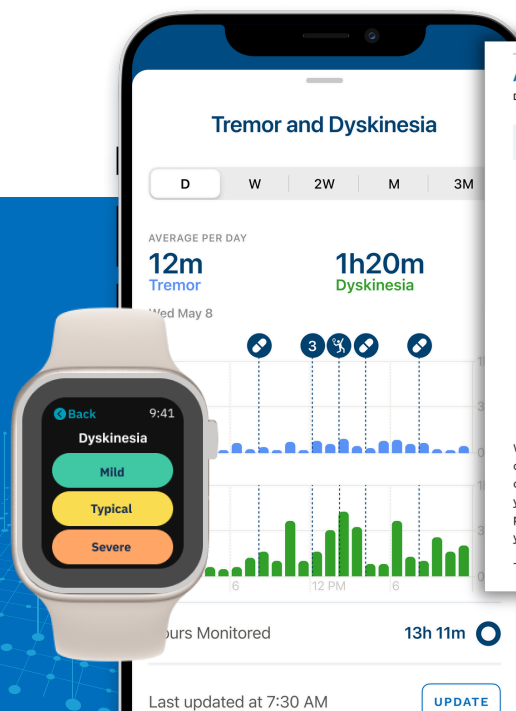

## **Unlock Personalized Guidance for Smarter Parkinson's Care**

**What is StrivePD Guardian:** StrivePD Guardian is a premium service on the Apple iPhone and Apple Watch to help you adopt proven strategies and stay on track with your Parkinson's care plan.

**How StrivePD Guardian Helps:** StrivePD Guardian pairs you with a dedicated coach and FDA-cleared technology that offers daily insights into your unique journey. With StrivePD Guardian, you receive proactive, personalized support to make informed decisions and stay safe.

**Why StrivePD Guardian:** Every Parkinson's journey is unique. StrivePD Guardian offers real-time support to optimize your care plan, track medications, and prepare for doctor visits—helping you stay ahead.
